To the team at First Insurance Funding of Canada:

***Thank you for your food support!***

On behalf of everyone at Second Harvest and the agencies we serve, I am writing to thank you for the generous food donation. On December 3, 2012, we received approximately 800 lbs. of nonperishable food from you. Many hungry children, families and adults in Toronto are incredibly grateful for your food support.

Every day, Second Harvest picks up surplus food that would otherwise go to waste and delivers it in refrigerated trucks to over 215 community agencies in Toronto. The agencies then prepare the food to feed people in our community who would otherwise go hungry. These agencies include drop-in centres, soup kitchens, day care programs, seniors' homes, and shelters. Sadly, 40% of the clients our agencies serve are children and youth.

With the help of over 600 food donors like you, Second Harvest provides enough food for more than 19,000 meals a day. Thank you for feeding the hungry in our community! We look forward to your continued support.

Sincerely,

Melissa Dedic  
Interim Director of Operations
